

Sermon & Worship Notes from Sunday, October 29, 2017

Pastor began the Worship service in his doctoral robe, recalling that the Reformation began with Dr. Martin Luther, professor at the University in Wittenberg, Germany. But then Pastor switched to his pastor's alb for preaching, reminding us that the main goal of the Reformation was "pastoral care," providing true care of souls through the Gospel of Jesus.

Here's the Luther's Seal and key that was handed out.

Luther's Seal—designed to teach the faith:

Black Cross

Christ's death on the cross forgives our sins.

Red Heart

God gives us faith in our hearts to believe in the death of Jesus as our salvation; God gives new life to us.

White Rose Faith gives joy, comfort, and peace—joy that comes from God Himself.

Skyblue Field Heavenly, future joy, begins now, grasped in hope, but not yet fully revealed.

Golden Ring

The blessedness in heaven lasts forever and has no end.
